Hello Rebecca,

Thank you for your letter and the supplemental information provided. I will consider these materials in the continuation of the administrative review.

As far as your meeting request, I have no objections whatsoever, however I would suggest we wait until EPA has had the chance to conduct a more thorough technical review. A conversation at that time may be beneficial. I look forward to receiving the paper copies of your revisions for our insertion into our copies of the application.

Sincerely,

Michele

Michele,

Excelsior Mining Arizona is pleased to submit the attached response to your March 4, 2016 Gunnison Copper Project UIC application deficiencies letter. A hard copy with attachments and disk have been mailed FedEx to David Albright.

Please call me if you have any questions or require any additional information.

Sincerely,

Rebecca A. Sawyer
